Registering on the Amtech Website and downloading updates

- 8) You now need to register your Company and Amtech License Number. The Company name needs to be entered exactly the same as the delivery note/invoice as sent by Amtech.

The screenshot shows the Trimble website's account page. The navigation bar includes the Trimble logo, a search bar, and links for 'shop' and 'account'. Below the navigation bar, there are links for 'Our Group', 'Our Products', 'Our Services', 'Trimble Field Solutions', 'Resources', and 'Contact Us'. The main content area is titled 'Support Downloads' and contains a sidebar with links: 'Welcome Back', 'Edit Your Details', 'Previous Orders', 'Support FAQ', 'Patches / Downloads' (highlighted), and 'Log Out'. The main content area has two sections: 'Your Downloads' and 'Validate your account'. The 'Validate your account' section contains a form with two input fields: 'COMPANY NAME *' and 'LICENCE NUMBER *', and a 'Submit >' button.

- 9) You will now see the available updates for your Amtech Products. Click on the header of the product you require to update to see the available downloads

The screenshot shows the Trimble website's account page with the 'Patches / Downloads' section expanded. The 'FastTest' product is selected, and the 'ProDesign' section is expanded to show two updates: 'ProDesign 2015 Patch 1 (November 2015)' (38 MB) and 'ProDesign 2015' (1.8 GB). Each update has a 'Download >' button. The 'ProDesign Domestic' section is also visible below.

- 10) When you locate the required update, click *Download* – select *Run* and then follow the onscreen instructions to install the update.
